

CUBEMIX podomítkový sprchový set s pákovou baterií, 2 výstupy, vyústění, zlato mat

SAPHO

Objednací kód: CM042GB-01

Základní informace

Značka: Sapho
Série: CUBEMIX

Parametry

Barva: Zlato mat
Materiál: Mosaz
Tvar: Hranaté
Instalace: Podomítková
Druh ovládání: Páka
Přepínač na sprchu: Tlakový
Průměr kartuše: 35 mm
Funkce sprchy: Déšť
Ostatní: AntiCalc, 2 výstupy, PVD povrchová úprava
Hmotnost / ks: 5.372 kg
Balení: 6 ks
Záruka: 6 let

Náhradní díly

Směšovací kartuše 35mm, nízká (Objednací kód: 521601)

Přepínač kartuše, 2 výstupy (Objednací kód: NDIV-22)

Technical drawing of a shower head assembly, showing multiple views and dimensions:

- Top View (Left):** Shows the shower head face with a grid of 24 nozzles (4 rows by 6 columns). The width is dimensioned as 90 mm.
- Front View (Top):** Shows the shower head face with a grid of 24 nozzles. The width is dimensioned as 300 mm and the height as 300 mm. The corner radius is dimensioned as R15.
- Side View (Right):** Shows the shower head face with a grid of 24 nozzles. The width is dimensioned as 300 mm and the height as 300 mm. The corner radius is dimensioned as R15.
- Bottom View (Bottom):** Shows the shower head face with a grid of 24 nozzles. The width is dimensioned as 300 mm and the height as 300 mm. The corner radius is dimensioned as R15.
- Isometric View (Bottom Left):** Shows the shower head face with a grid of 24 nozzles. The width is dimensioned as 90 mm.
- Detail View (Top Right):** Shows a cross-section of the shower head face. The width is dimensioned as 400 mm. The height is dimensioned as 10.5 mm. The nozzle diameter is dimensioned as G1/2. The nozzle spacing is dimensioned as 10 mm. The nozzle height is dimensioned as 50 mm. The nozzle diameter is dimensioned as G1/2.
- Detail View (Bottom Right):** Shows a cross-section of the shower head face. The width is dimensioned as 120 mm. The height is dimensioned as 150 mm. The nozzle diameter is dimensioned as G1/2. The nozzle spacing is dimensioned as 68 mm.
